

# Medallion Society

The Medallion Society recognizes those individuals who leave a legacy by pledging a gift in their wills, trust, or estate plan to the Kean University Foundation. You can also qualify by naming the Kean University Foundation as the beneficiary (or contingent beneficiary) on any of your life insurance, IRA and/or 401(k)/403(b) accounts, or through a charitable gift annuity, unitrust or life estate gift.

Medallion Society members will be recognized in several ways:

- Annual Report and website listing
- Recognition and enrichment events
- Articles featuring dedicated donors
- Medallion Society lapel pin

If you have already included us in your will, please tell us, so we may express our gratitude. Announcing your gift can inspire others to give, but we will also respect your preferences for anonymity, if that is your wish.
